

Indian Association, Geneva

Dear Member,

The Executive Committee of the Indian Association Geneva (IAG) is pleased to present to you its annual report for the year 2020.

The year 2020 has been extremely challenging, where - sense and meaning of normality has changed in both our personal and profession lives. We all have faced and still undergoing obstacles every day and tackling them one-by-one with lot of courage and giving/receiving inspiration & support to each other. We hope you and your family are keeping healthy and safe.

During 2020 the membership strength dropped down significantly due to COVID-19, around 70% of members paid their membership and we THANK YOU for support during these difficult times.

COVID-19 Donations

A public charitable trust under the name of **Prime Minister's Citizen Assistance and Relief in Emergency Situations (PM CARES)** Fund has been set up. This fund's purpose is to specifically cater to the health and economic ramifications caused by the global pandemic. IAG members contributed a total of CHF 2150 and the IAG Executive Committee matched the amount of contribution. On behalf of the IAG executive committee, we thank IAG members for their contribution to the call.
