on the move....

**Sunday, March 17, 16.00 hrs  
Résidence Universitaire Internationale  
Rue Rothschild 22, Geneva 1202**

**JaiJagat2020** focuses on building an inclusive world based on principles of peace and justice – a timely initiative in the year of the **150<sup>th</sup> birth anniversary of Mahatma Gandhi**.

In October 2019, thousands of marchers committed to non-violence as a global strategy for change will start a march from India, Belgium, France, Germany, Sweden, Mali, Senegal, Spain and other countries, ending in Geneva in October 2020. The marchers will be welcomed by the City of Geneva.

This is a special opportunity for you to meet with and hear directly from PV Rajagopal, leader of this initiative and a Gandhian activist sometimes referred to as the 'new Gandhi'.

The talk will be followed by networking over refreshments - your ideas and suggestions on how we can show solidarity with this initiative will be welcome.
